Career Objective

Motivated and detail-oriented B.Tech Computer Science student with a strong foundation in MERN Stack development. Seeking an entry-level Software Developer or Full-Stack Developer role where I can apply my technical skills, contribute to real-world projects, and grow as a software engineer.

Education

Babu Sunder Singh Institute of Technology and Management

Bachelor of Technology in Computer Science and Engineering — CGPA: 7.3/10

Lucknow, India

2023 – 2027

Government City Inter College

Class XII (UP Board) — Percentage: 82%

Ghazipur, UP, India

2021 – 2023

Technical Skills

- **Languages:** JavaScript (ES6+) , TypeScript , Python
- **Frontend:** React.js, Redux Toolkit, HTML5, CSS3, Bootstrap
- **Backend:** Node.js, Express.js, RESTful APIs
- **Databases:** MySQL, MongoDB , PostgreSQL
- **Developer Tools:** Git, GitHub, VS Code, Postman
- **Core Concepts:** Axios, JWT Authentication, CRUD Operations, RESTful API Development

Training

6 Months Apprenticeship Program — MERN Stack Development

Techpile Private Limited

- Completed a 6-month apprenticeship program focused on MERN Stack Development.
- Gained hands-on experience with MongoDB, Express.js, React.js, Node.js, JavaScript, RESTful APIs, and CRUD operations.
- Developed practical understanding of frontend and backend development through real-world projects and development tasks.

Projects

Personal Portfolio Website

[Live Portfolio](#)

- Developed a modern and responsive personal portfolio using **React.js, Bootstrap, and reusable components** to showcase skills, projects, and professional information.
- Implemented interactive animations and effects using **GSAP, Framer Motion, Typewriter Effect, AOS, and React Parallax Tilt** to enhance user experience.
- Deployed the website on **GitHub Pages** with automated deployment using **GitHub Actions**.

Simple Calculator

HTML, CSS, JavaScript

- Developed a responsive calculator application supporting basic arithmetic operations including addition, subtraction, multiplication, and division.
- Implemented interactive functionality using JavaScript and DOM manipulation with a clean and user-friendly interface.

Language Known

- English (Proficient)
- Hindi (Fluent)

Additional Information

- Strong interest in MERN Stack Development and Software Engineering.
- Quick learner with problem-solving and teamwork abilities.
- Actively improving development and programming skills through self-learning and projects.
